Surge of Power: Revenge of the Sequel Hits Theaters

Los Angeles, CA - Surge of Power Enterprises is proud to announce the theatrical debut of the long-anticipated sequel to the groundbreaking and lighthearted superhero movie "Surge of Power: The Stuff of Heroes." "Surge of Power: Revenge of the Sequel" will begin with a weeklong run in Los Angeles before fighting crime in additional cities.

Creator Vincent J. Roth returns to the cape-clad title role of Surge, cinema's first out gay superhero. Roth is joined by a star-studded cast representing the forces of good and evil including "Star Trek" alums Nichelle Nichols and Robert Picardo, comedian Bruce Vilanch, "SuperFriends!" Shannon Farnon, Academy Award nominee Eric Roberts, The Exorcist's Linda Blair, "Buck Rogers in the 25th Century" star Gil Gerard and the original Incredible Hulk Lou Ferrigno. The award-winning film has screened at festivals and conventions across the globe, taking home prizes for Best Comedy, Best Villain, Best Special Effects and Most Inspirational Lead Character.

Surge of Power: Revenge of the Sequel will open January 5 in Los Angeles, expand to New York on January 19 and continue nationwide.

Synopsis:

Surge's nemesis, the Metal Master, is out of jail and trying to reconcile with his estranged parents (Blair, Gerard) and tempted to continue a life of crime by Augur (Roberts), archnemesis of the wise Omen (Nichols, Picardo). Augur sends Metal Master to Las Vegas for mysterious crystals. Needing more crime fighting help, Surge activates the artificial intelligence in the Surgemobile (Vilanch, Farnon). Augur emerges from the shadows back in Big City, causing Omen to step into the fray, which alerts The Council, a supervillain cabal bent on world domination. Facing more enemies than ever before, Surge must do whatever it takes to save mankind.
